

BEST PRACTICES – 01

Title of the practice: Workshop on “Creative Teaching”

Objective of the practice:

Main objective of workshop was to train students on innovation and creativity in teaching.

The Context:

Creative teaching is crucial for interest and motivation of students of various age groups in academic pursuits. It offers innovation and creativity aligned with educational goals across all levels.

The Practice

1st day- Examples of creative teaching given to teachers to plan teaching according to need of students.

2nd day- Various aspects of effective teaching methods like role-play in which students were asked to provide their introduction with one good and one bad habit.

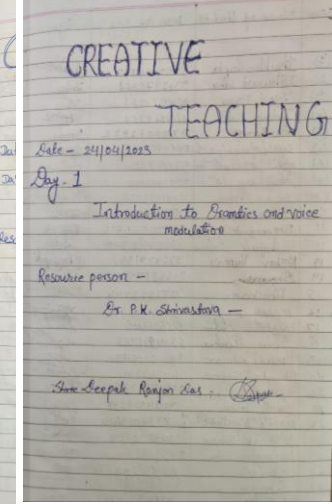

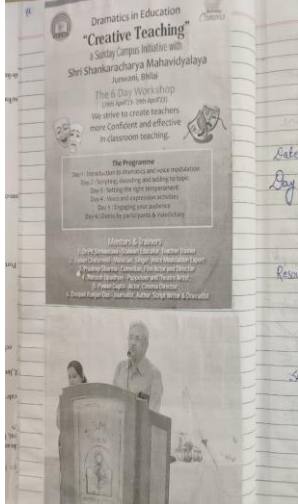

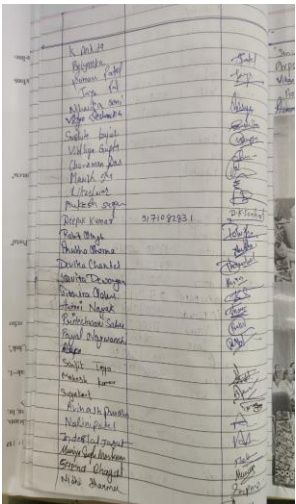

3rd day- Enhanced teaching creativity through puppet shows, naming 'Puppet Communication.' It covered voice modulation using techniques of high and low pitches connecting with variations.

4th day- Significance given of voice modulation in education, media, podcasting, addressing solutions of students, aspiring teachers.

5th day- Taught specialized dramatics and voice modulation to improve teaching.

6th day- Participants performed their skills as the outcome achieved.

Evidence of success:

Problems encountered and resources required :

The program faced challenges as participants were with limited mobility. College faculties provided them support and motivation.

President, Shruti Foundation said that their organization is organizing fashion show for disabled individuals for four years and receiving positive widespread support from schools, colleges, open participants and the community.

Principal, SSMV assured the participants that the college will, in future organize similar initiatives by generating new ideas and innovative concepts.

All the participants were given certificate of participation in the form of consolation prizes. The Media, members of Shruti Foundation, parents of students, faculties of the college were present in the event.
